

Ile Courses

The Ile offers a mandatory core curriculum that provides foundational teachings and methods for students to develop a rewarding spiritual practice through the path of Ifa. The Ile also offers various supplemental modules to facilitate the understanding of universal esoteric principles and the awakening of consciousness through Ifa and Orisa. The core curriculum and supplemental modules prepare the Aborisha for taking more serious steps into the path of Ifa and act as pre-initiation training. For those already initiated into Orisa or Ifa, the core curriculum acts as a prerequisite for courses/training reserved for Orisa and Ifa initiates.
